There's a lot more to a beautiful lawn than meets the eye! Surely it's time to call in the professionals.

The first step is to call us to carry out a 14-point lawn analysis completely free of charge. We will then tailor a lawn treatment program that meets your specific requirements using state of the art products that are only available to professionals.

REMEMBER, NO LAWN IS TOO SMALL.

Our treatment programme is cheaper than doing it yourself.

When dealing with Mother Nature, perfection doesn't always happen straight away but once you've called in the experts and the first appointment is made, then your perfect lawn has already begun to happen!

It's then up to you how you spend your extra free time...

Knowing what sort of lawn treatment to use, and when, is daunting. But what about moss? And all those weeds?

GREENER GARDENS service provides you with the answers.

GREENER GARDENS are feeding, weeding and maintaining all sizes of lawns in your neighbourhood right now, to create a beautiful lawn at a price that will put a smile on your face!

Surprisingly our prices start at £15.

Have you ever wondered why the grass at places such as Wimbledon, Wentworth or Old Trafford look so good? It's the professionalism and knowledge of the ground staff, together with the use of quality fertilisers and turf management programmes.

GREENER GARDENS have the knowledge, skills and machinery to do the job quickly and cost effectively for you. No lawn is too large or small!

"Now the lawn looks good, the whole garden looks great"

Mr B, West Bridgford

THE TOTAL LAWN CARE SERVICE

GREENER GARDENS will treat your lawn normally four times a year using the latest "state of the art" fertilisers, which will gently feed your lawn with the correct balance of food, during the changing seasons.

We tailor the treatments to your needs and budget and our price often works out cheaper than doing it yourself.
